

Air Conditioning Installer

About the business

Swift Air Conditioning is an air conditioning company based in Peakhurst. With over 20 years experience in the Air Conditioning trade, we have established a great reputation for ourselves to large list of clients.

Our company provides the installation of air conditioning units in new developments and light commercial developments, as well as the maintenance of existing systems across a variety of dwellings in Sydney.

About the role

In the daily running of the company, your role will include:

- Installation of split and ducted systems in both domestic and commercial properties
- Maintaining and servicing air conditioning units for our clients
- Repairing breakdowns
- Managing a small team of apprentices (Qualified Tradesman Only)

Criteria

A successful applicant will demonstrate the following skills:

- Highly Motivated with a good work ethic
- Present Well
- Have excellent time management and communication skills
- Pay attention to detail
- Have the ability to work as part of a team
- Have a positive and helpful work attitude
- Be professional and reliable
- Honest and hardworking
- Follow OH&S guidelines in the workplace
- Safety conscious at all times
